

Personal Audit Help

Get the peace of mind of knowing that if you receive a letter from the IRS or are selected for an IRS audit, there is someone available to help you through the process.

Audit Specialists

Protection Plus Audit Assist provides access to audit specialists who can answer your specific questions. The Audit Center has information on how to respond to the specific IRS notice you received, and has all the information you need to handle an IRS letter or IRS audit.

Protection Plus specialists will:

- a.. Help you through the process of understanding the IRS letter or audit notice you receive.
- b.. Help you know what kind of records you need to gather to answer the IRS letter or prepare for an audit.
- c.. Help you write a response to the IRS notice.
- d.. Help you prepare for an audit.
- e.. Help you after the audit is done to understand the results and what steps you can take next.
- f.. If you owe the IRS money, help you understand the options you have in settling your debt with the IRS.

Requirements

Protection Plus is only available for customers who successfully e-filed their federal tax return using Supreme Fast Tax.
